

School Uniform Policy

Aim:

This policy outlines the agreed upon school uniform for Oaklands Central School and procedures in place to encourage the wearing of the uniform by Students.

Rationale

The rationale for school uniforms is outlined by the DoE School Uniform Policy which states:

“A school uniform consists of a limited range of clothing, including footwear and headwear. It identifies students as belonging to a particular school. Students are expected to wear the uniform during school hours, while traveling to and from school and when engaged in school activities out of school hours.”

“Suspension or expulsion solely for non-compliance with uniform requirements should not occur. Students will not be prevented from participating in essential curriculum activities except where exclusion is necessary for reasons of safety. In this situation alternative educational activities will be provided.”

“The principal will provide parents/carers with the school’s uniform policy and students will be encouraged to wear the school uniform as agreed by the school community.”

Procedures

Students at Oaklands Central School are expected to wear the correct school uniform each day that they attend school.

If a student is out of uniform they should provide a note signed by their parent / carer explaining why the student is not in uniform. Notes may explain extended periods (up to 1 week) for a student not wearing a uniform.

If and student is not in uniform and does not provide an explanatory note, the student will be issued with an “Out of Uniform” slip. The slip is to be returned to the roll call teacher next

day and must be signed by the parent. The student's name will be recorded on the Uniform Sheet attached to the roll.

The principal or delegate will call the parents / carers of students who fail to wear the correct school uniform for more than three days without an explanation.
