

OAKLANDS CENTRAL SCHOOL P&C

- HONORARY LIFE MEMBERSHIP CRITERIA -

The Oaklands Central School P&C are calling on your help to recognise those, past and present, who have supported our students and school through their dedication and commitment to our Association.

We have discovered through our records that there have been three Life Membership nominations, the last being in 1987 (Kevin Walsh). We, as the present committee, feel that it is important to recognise the commitment and support people have given to our school community. Life Members will have their name displayed in the school office on an Honour Roll.

In September of last year, it was voted to amend the Life Membership criteria. Nominations for Honorary Life Membership must be:

- In writing
- Address the Life Membership criteria
- Supported by a minimum of two current P&C members

Minimum criteria for Honorary Life Membership

As an indication of long-term commitment, the nominee must be an active member (or previously active past member) of the P&C for at least seven years or the length of time their child/ren attended our school.

The nominee must have demonstrated a **significant** contribution and made an impact to our P&C by way of volunteering, holding office bearer positions, attendance at meetings and organising fundraising activities.

Nominations for Honorary Life Membership are to be discussed at a General Meeting and require support of 80% of attending committee members to be accepted.

Life membership doesn't entitle the nominee to participate as a member, unless they are a paid financial member. It is an honorarium bestowed on them by the Oaklands P&C Association.

Nominations can be submitted via the school office or to Minette Fealy via the details listed below.

- **Your Name:**
- **Contact details:**
- **Person Nominated:**
- **Between what years were they an active member of the P&C:**
- **Persons Contribution:**
- **Any other information you would like to share about their time with the P&C:**
