SCHOOL NEWS

PRINCIPAL'S PERSPECTIVE

Dear Parents and Caregivers,

Well done to all our students, staff and parents for a hugely successful athletic carnival held on Monday. Thank you to all our parents and friends who turned up to support our students. We appreciate the community support. The students also joined in the spirit of the day by eagerly participating in events throughout the day. The point scores reflected the fact that the majority of students participated in every race and field event, even when they knew that they were not likely to win. It is this spirit of participation and friendly competition that is an important part of our school culture. The students learnt they can have fun competing and doing their very best, even if they don't always win. This grows character and resilience. Congratulations to our Age Champions and a big congratulations to our winning house Innes on your team efforts on the day. Finally I would like to recognise our house captains, who showed great leadership throughout the day.

As the cold weather of winter approaches, it is important that our students keep warm. However, we still require our students to wear school uniform to school. Parents can order new fleecy tops and jumpers through the school if required. If you don't have a school windcheater for the very cold days we ask that students wear plain coloured clothes, preferably in the school colours. Please avoid clothes with logos and other designs. If your child cannot be in uniform due to unforeseen circumstances, please write a note to let the school know on the day. The Student Representative Council have been the driving force in adding a beanie to our school uniform. After consulting with staff and the community we have decided to adopt this idea. Order forms will soon be available to parents so they can order this addition to our uniform.

One of the key aims for Oaklands Central School over the next few years is to continue to grow our school and community links. Our school is a really central part of our community. Each year we collect data on the views of students and staff to guide us in our planning. This year we are very keen to really involve parents, friends and community in providing .

feedback about the school. This will enable us to celebrate what we are doing well and identify areas that require further effort. Recently the Department of Education introduced a new tool to help collect feedback about school. The 360 Reflection Tool will be rolled out shortly. I encourage all our parents and friends to take the time to complete the survey and return your responses. All the information is collated and provided to the school anonymously. We would really value your input so we can continue to build our school.

Very soon the school website will be undergoing an upgrade. This Department of Education initiative allows schools to have more control over the look and feel of their website. This will allow us to provide information and updates in a more readable way. Keep an eye on the website over the next few months for this exciting update and don't forget to regularly check the website to keep up to date with events and the life of our school. As we revise the calendar regularly, it is a great way to ensure you don't miss important events in our school.

Finally, a big thank you to Federation Council who were recently involved in a team building event. At the end of the day the Council donated brand new bicycles to a number of schools. Oaklands Central School were the recipients of two of these wonderful bikes. The bicycles will be used for fund raising in the near

future to help programs within the school. We are grateful for the generous donation by the Council and its staff.

Kind Regards

Peter Craft

PRIMARY NEWS

Hello everyone, I hope everyone has settled back into Term Two nicely and this cooler weather hasn't been too much of a shock to the system. With the cooler weather upon us we are seeing students bringing more jumpers and jackets to school. Please ensure all your child's clothing items are very clearly labelled with their name so if they are taken off and lost we can return them. There are a number of items at the office that have been found but do not have names so they cannot be returned. If you are missing items call into the office to have a look.

Last week saw students in Years 3, 5, 7 and 9 begin their NAPLAN testing. We thank all students for showing great responsibility during this time by listening carefully to teacher instructions and giving all tests their

best effort!

On Monday, K/1 farewelled Mr Middleton and Miss Beale, our prac students from La Trobe University. We really enjoyed having them in our classroom for the past three weeks and will miss all their extra help. We would like to thank them for all their efforts and the great lessons they taught during their time at OCS and hope they can come back for a visit.

On Monday we held our OCS Whole School Athletics Carnival. It was a great day and it was again fantastic to see the high level of participation from all students! A huge thank you to all the parents who came along and supported students during their events and helped on the day, as well as all the staff and students who helped to run the day. A final thank you needs to go to Miss Elith for all her work in organising the day and making it so successful!

On Thursday 24th May, Mr Knight will be taking boys from years 4/5/6 to play AFL against Finley in the Tony Lockett Shield. Mr Knight has been very busy organising this event and running training sessions for the TerriBerriO team. We wish them the best of luck and look forward to hearing how they go!

The SRC has organised a 'Bake Off' fundraising event to be held on Friday the 25th May. I

hope we can get lots of primary students entering the competition and don't forget you can bring some money to buy cupcakes at lunch time.

Finally, don't forget that OCS will be hosting the Finley PSSA Cross Country at Urana on Friday 1st June. If your child is competing on the day please make yourself available to help the OCS P&C with catering the day. It is a big event and a great fundraiser for the P&C so the more help on the day the easier the job.

Warm Regards,
Sally McRorie
Assistant Principal

HEAD TEACHER NEWS

This week sees us head into Week 4 of the second term. It has been a busy fortnight with students challenging themselves to work towards their SMART goals and build their capacity in literacy and numeracy. This fortnight highlights some great leadership among students and strength through team work. Thank you to staff who have been striving to achieve the requirements set for the start of term.

AUTHOR VISIT

On Tuesday 15th May we were fortunate to have the author 'Oliver P' visit the school and conduct a writing workshop with students in Years 7-12. He introduced a number of effective techniques for students to use when developing characters and setting the scene in a story. We hope this opportunity will inspire students to build in their capacity to write narratives.

NAPLAN

Students in Years 7 and 9 have been working through their NAPLAN tests over the last fortnight. Students need to remember that these are simply one test, on one day and don't reflect the whole student. The results will be a chance for the school to reflect on any areas they may need to focus on in the future.

SECONDARY ZONE CROSS COUNTRY

On Friday 18th May Connor T, Connor F and Jackson represented the school at the Secondary Zone Cross Country in Urana. All students have qualified to attend the next level. Thank you to all other remaining secondary students who assisted on the day with checkpoints and preparing the courses. Furthermore thank you to Janelle Day for supporting on the day.

ATHLETICS

Thank you to the secondary students who attended and participated in the Athletics Carnival on Monday. It was great to hear staff reporting about the leadership qualities and mature attitudes of the students. Well done to all of you, especially the student champions (Brayden, Amber, Connor T and Acacia). Congratulations to Innes!!!

DISTANCE EDUCATION- Japanese Session

At the end of this week, Acacia and Liam S were due to attend the Dubbo Distance Education Languages Camp. Unfortunately they were unable to attend due to travel costs. Instead students will participate in lessons on the Thursday via videoconference. This will be a great opportunity for students to further develop their knowledge and understanding of the Japanese language.

WHAT MATTERS MOST

Research shows that children's development in secondary school is strongly influenced by the value families place on school, their expectations and aspirations for their young person's future.

When parents and caregivers create an environment at home that encourages and supports learning, it influences how children learn, more than direct parental involvement with the subjects they are studying.

- Be sensitive to how teenagers want to be more independent, while giving them structure and support.
- Value education and show that you do.
- Discuss aspirations and expectations for your child's education and future achievement.
- Aim to provide a stimulating and supportive home learning environment.
- Have conversations and participate, with them, in activities relevant to learning and the wider world.
- Keep connections and communication open with teachers and support staff in secondary school.

Balance support for school expectations such as homework with the need adolescents have for independence and other parts of life such as sport or work.

Kind Regards

Melinda Elith

Thank you

The Chaplaincy Support Team would like to thank those community members who have so far contributed towards extending the School Chaplain's hours at Oaklands Central School.

Your contributions have been a great encouragement to us.

Darren Sutcliffe
CST Chairperson

*my*Chaplain

Dawn Disher (formally Dawn Higgins)

The Oaklands Community was saddened to hear of the passing of Dawn on 4th May. During her time in Oaklands Dawn held positions as President of the Uniting Guild, Treasurer of the CWA and Secretary of the RSL Ladies Committee.

In September 1974 Dawn was one of the four new ancillary staff appointed to Oaklands Central School, joining Kate Sheridan and Dissa Zanoni. She continued at OCS until she was given a transfer in 1981 to the Corowa High School where she gave another 21 years of valued service.

Dawn's children, David, Des, Greg and Joanne all attended Oaklands Central School.

Dawn remarried and spent the last 24 years of her life in Chiltern. During that time she joined the Atheneum Friends where, together with other members, Dawn wrote 2 books, depicting the history of Chiltern.

She passed away at home after a battle with cancer.

May she rest in peace.

OCS Library

Vacant Position

An exciting opportunity now exists for 1 Library Monitor within our Library at Oaklands Central School.

Applicants will need to be in Year 5 or over, and be able to work for 1 lunch period per week according to a roster, be punctual, and well presented.

Duties include: the booking in and out of resources, liaising with Library Clients, and re-shelving of Library resources.

Experience is unnecessary as training will be provided.

Application forms can be obtained from the Oaklands Library link on the OCS web page or from our Library.

Applications close Friday 25th May 2018

FUN FACT

Do you know how many parents/carers can transport our children to events?

Currently 7 parents/carers out of 42 families, but we need more to share the load.

Please help by submitting completed forms to the School Office. Some of our families are almost there, it may be that there are only 1 or 2 more items left to submit. Call the school office to check, we have a full list ready and can provide you with details and support to complete the process.

All we need is ...

- Working With Children Check VOLUNTEER (no cost applicable) - online, see below for instructions
- Copy of Drivers Licence
- Copy of motor vehicle registration
- Copy of motor vehicle insurance
- 100 points of identification, (ie, Birth Certificate or Passport, Drivers Licence and Medicare card)
- DoE Working with Children Declaration - Appendix 11 (available at school or on OCS website).

Without more eligible volunteers, we may need to hire buses to transport students, which unfortunately will be more costly.

(WWCC instructions: visit www.kidsguardian.nsw.gov.au to complete the online application form for your WWCC. Once completed, you will be emailed an Application number (APP). Take this Application number and ID to a Road and Maritime Service centre to complete the process. Once your application has been processed, you will receive your Working With Children Check number by email.)

CWA Oakland News May 2018

The recent CWA of NSW State Conference was held at NEGS Armidale.

Oaklands branch presented three motions on the agenda which were all "carried" & now become Association Policy.

All related to the inclusion of a medical "distress" criteria, the ability to access psychological care without a GP referral & the ability to claim on Medicare for the treatment.

Members thank the Amaranth Foundation, Corowa for the assistance in submitting these motions. A priority on the Agenda was a motion of Urgency re: Drought Support in NSW. The CWA of NSW State President sent an immediate letter to the Hon. Niall Blair, MLC requesting improvements in the handling of natural disasters, noting that there seems to be no NSW government policy in place. She asked as an immediate measure the government reinstate freight subsidies, beyond those for donated fodder as a matter of urgency.

The State Conference will be held in Albury, May 2019. This is a great opportunity for locals to see just how CWA of NSW works.

Work on the upgrading of toilet facilities is COMPLETED.

Members thank:

Graham Tucker of G T Constructions, Jason Quinlivan Border Gas & Plumbing, Colin Russell Electrical, P&H Home Maintenance - painting, Peter Kerr – Oaklands Men's Shed, Jarrod & Joan Kerr for assistance, Federation Council \$3,000, Oaklands Harvest Ball Comm. \$2,000, CWA of NSW grant \$10,000 .

Next meeting: Tuesday 19th June '18 Heather Kerr 0447 335 201.

Advanced Chemical Spray Application Training

Date:	19 - 22 June 2018
Location:	Oaklands
Workshop:	9am-4.30pm, 19 June 2018
Workplace visit:	Wed to Fri, 20-22 June 2018

The reason:

In 2016 and 2017, even with APVMA regulatory adjustments to labels, there has been a totally unacceptable level of crop damage especially in cotton and grape growing regions throughout Australia. As cotton crops spread throughout NSW, more broadacre farmers are being challenged to manage spray application processes that do not impact on crops grown within their region.

The solution:

AgSkilled trainers will be delivering accredited courses across NSW to meet the needs of farmers.

Advanced Spray Application training consists of two parts:

- one day workshop – 9am to 4.30pm
- workplace visit

Units delivered:

AHCCHM303	Prepare and apply chemicals
AHCCHM304	Transport and store chemicals
AHCWRK302	Monitor weather conditions
AHCMOM315	Operate chemical application machinery and equipment

The **workshop** will cover:

- weather
- drift reduction
- strategies and technologies
- how to recognise and avoid inversions
- chemical label requirements
- record keeping including spray plans
- PPE and OHS
- practical strategies for mixing and applying chemical
- practical demonstrations using a variety of nozzles and water rates
- water quality
- effect of adjuvants in the chemical mix
- case study – Dicamba in the US
- GHS.

The **workplace visit** will cover:

- development of spray drift management plans – winter and summer - customised to the farming operation – machine, speed, nozzles, etc
- calibration and testing of spray equipment as per spray plans
- operation of equipment to ensure accuracy
- general fine tuning of the machine
- time for one-on-one discussion to clarify any issues from the workshop.

To register your interest, contact Cath on 02 6345 5818 or 0437 455818 or email craig.day@bigpond.com
