Secondary Students Out and About

Secondary students travelled to Mulwala to see the Samuel Hall Mural at the end of Term 1 as part of the Federation Council Youth Week with a focus on Art. The students completed their own art work throughout Term 1. These pieces have been on display at an Art Exhibition in Corowa.

Jessica attended the RYDA Road Safety Education Workshop this week. Such a great opportunity to provide students with tools and education to become active, responsible road citizens.

Principal Report *written by Josh Webb*

Good morning Oaklands school community,

Welcome to the commencement of Term 2. I hope you all had a safe and relaxing holiday.

Events at the end of last Term and the beginning of this term included:

- The Easter Activities afternoon was excellent, a lot of fantastic hats, craft and yummy food was made and eaten!
- The ANZAC Day school ceremony was run by our SRC students this year. Well done to everyone who helped organise the event.
- A wonderful effort by the school community for their support of school students in the Vouch for Lismore - Fundraiser. Lismore has been devastated by the flooding crisis of 2022. The scale of damage across all aspects of the community has been unfathomable. The most significant part for the high school sector has been the complete inundation of the Richmond River Campus. The entire school has been covered by flood waters and is now uninhabitable for at least 12 months. The students and staff have lost everything they own and now face a very long road to recovery. The Vouch for Lismore—Fundraiser aim to access as many vouchers to supply to the families in need. Vouchers for the businesses and the school community so they can access what they need, when they need it. This all helps put money back into the local economy. The money raised will go to their transition back into full time schooling.

Whole School upcoming events include:

- Homework Club will commence this Thursday (5/5). Please complete the relevant form on the Parent Portal if you would like your child to attend.
- NAPLAN will commence next week for students in Years 3,5,7, and 9. Testing will be completed online.

Updates to COVID-19

⇒ ***Changes to isolation for close contacts***

From Friday 22nd April , 2022, close contacts (including household contacts) can leave home isolation with certain restrictions. From Week 1 Term 2, students identified as close contacts will be able to attend school with the following mitigations in place.

- You must notify the school if your child has identified as close contacts and is intending to return to school.
- Your child should conduct a daily rapid antigen test (RAT) and return a negative result each morning before attending school for 5 school days to minimise the risk of transmission.
- Secondary students must wear a mask indoors except when eating or exercising. Primary school students are recommended to wear a mask indoors (except when eating or exercising).
- No student or staff member identified as a close contact will be permitted to participate in overnight excursions, including school camps.

Rapid Antigen Testing

Additional RATs will be dispatched to schools to support staff and families to comply with daily testing requirements for close contacts returning to school. Kits can be used for symptomatic testing or for daily testing as part of the close contact requirements.

Have a great fortnight.

Josh Webb - Principal

NEW FACES

OCS has welcomed new members to our school and community in 2022. We thought it might be nice to put a photo to the name.

Miss Nina Neal joins us from Colo High School within the Hawkesbury. Miss Neal has a keen interest in History and can be found teaching our Primary and Secondary students. Miss Neal will also be teaching Secondary English and HSIE.

Mrs Tracey Southam will be supporting our teachers and students in the Assistant Principal Curriculum and Instruction (APCI) role, on a Monday and Tuesday. Mrs Southam loves Science.

Miss Danielle Allen is relieving our Assistant Principal role for the remainder of 2022. Miss Allen is from Hurstville Public School, a primary school with over 1300 students! Miss Allen is currently framing and shaping the minds of our K/1/2 students.

Mrs Gillian Arnold comes to us from Lowesdale PS. Mrs Arnold will be working as a Learning and Support Teacher 2 days per week and has vast experience in the LaST role. Many of our community members will know Mrs Arnold from Berrigan P.S., where she spent many years. Mrs Arnold will be sharing her passion for Art with our Years 3/4 students and her knowledge in HSIE with our K/1/2 students.

OCS are privileged and honoured to have such a combined wealth of knowledge and experience from all our staff members. If you see any member of our amazing team around the school or town, please do not hesitate to say hello.

Miss Neal

Mrs Southam

April News

- Members were very pleased to receive 20 Foodbank NSW & ACT hampers, given by Intereach Corowa. After the April meeting the hampers (household items and food) were quickly delivered to families of Oaklands and Daysdale. The hampers were initially packaged to assist those who may have been isolating from COVID-19. Recipients were very grateful.

Photo - Cathie Sutcliffe and Elizabeth Kerr receiving hamper donations.
