# Sovereign Hill - Recount by Kaija

## Day One

BEEP, BEEP goes my alarm at 5.30am in the morning. I dismiss it and wake up Jolana and Sasha. We go over to the counter, we pour our cereal, eat it, then we go to brush our teeth. Once we did that we got dressed and then Mum did Jolana's hair and my hair, then we went out the door at 6.43am.

We got to school at 7.14am and we had to wait 5 minutes before we could load our bags in the trailer. Once that was done Lucinda, Sophie, Annabelle, Michael, Declan and I went on the Urana bus with Mrs Southam and Mr Mendez. Three hours later we take a break, we eat something. Mr Mendez filled up the bus and then we got back on the road. Four hours later we arrived at Sovereign Hill. We got off, ate our lunch and then we went to our cabin. I was sleeping with Lucinda, Alexis and Pheonix and that was the good part, but the bad part was that we were right next to Blake, Tom, Marcus and Wade.

At first we did a gold mine tour. We had to wait a few minutes for our instructor. Once our instructor came, we took a ride on a tram under ground and we learnt about the twin Chinese men and about their restaurant. After, we went gold panning for an hour, then we went to dinner and thirty minutes later we went to the Aura show and it went on for hours. Once it was finished we went to bed.

## Day Two

In the morning we had breakfast then we went and did an education session about simple tools and old fashioned tools. After that we did a Red Hill Mine tour and we went under ground and saw the "Welcome" of the golden nugget. Once that was done we had meat and salad rolls and then we played on the playground for a while. Once we were finished we went over to the gold pour demonstration and the man was dealing with a thousand degrees gold bar and if he spilt it on him, he could die! After the demo we watched a candle pouring demonstration, then we did nine pin bowling and I almost got a strike! Then we looked around the shops to buy something and then we did gold panning until dinner. After dinner we went to the theatre to watch a magic show and a pantomime called "Black Beard". Then we went to bed.

## Day Three

Next morning, we had to roll up our sleeping bags and get all our stuff and load it on the trailer. Then we had an education session in the class room and we had to write with ink and pen. Then we got on the bus and headed home.

# Chaplains Chat

Welcome to the 11th Chaplains Chat for 2024. Term 3 has flown by and Term 4 is well underway. Stage 5 students have continued with the Big Life Journal program this Term and are continuing to explore the chapters of Big Life Journal together.

Chapter 1 introduced – It All Starts Here, where you will discover the power of your mind and learn about different types of mindset.

Chapter 2 – Exploring You. This chapter introduced some fun activities to discover your true interest.

Students were asked to respond to a set of questions on having a growth mindset in one area and a fixed mindset in another. An example used was a runner who knows she CAN improve her marathon time with practice (growth mindset), and might think she is terrible at building relationships (fixed mindset).

Students were asked to record whether their mindset is mostly Fixed or Growth regarding their ability to concentrate, friendships/relationships, reading/writing abilities, math abilities, overall academic potential, sports performance, body image, character and artistic skills.

Using Affirmations:

Positive affirmations are an effective way to shut down negative self-talk. They are a common strategy used by some of the most effective people in the world. Like most things you practice, the more you do it, the easier and more effective it becomes!

Students were provided with 7 Pro Tips to follow:

1. Speak in the present (be Yoda, not Luke)
2. Don't speak in absolutes (always and never)
3. Keep it simple (use short powerful sentences)
4. Make it real. (say it out loud, stand up, gesture too!)
5. Visualise your statement (athletes do this)

Students then explored this question:

Picture this, in a sport where fists do the talking and silent masculinity reigns, a man with a quick wit, poetic gift and exuberant confidence thought his way to success. He was born Cassius Clay and transformed himself into MUHAMMAD ALI, the greatest boxer in history. He was not the strongest or the biggest, but he was the best. How do we know? Because he said so!

More to share next edition!

Kindest regards,

Garron (Mr Farrell) your Chappy!
