# Principal Report

Dear Parents and Caregivers,

As we approach the end of Term 1 and the upcoming school holidays, I would like to take a moment to reflect on the wonderful achievements of our students and share some important updates.

Firstly, I would like to remind everyone of our current school reward system whereby students collect merits each week for regular attendance, wearing the correct school uniform, focusing on learning in the classroom and showing positive behaviour in the classroom and playground. These merits work towards attending the rewards day at the end of the semester.

Secondly, we have received our updated staffing entitlement for 2025. Due to the drop in primary student numbers this has impacted on our staffing at OCS. We have had a reduction in office staff time by one day and a full-time primary teaching position. While this means changes to our structures ahead, it will not impact the quality of the education we provide to our students. We have a dedicated and experienced staff, who prioritize students' learning and wellbeing. Updates will be communicated as we know more.

This term has been filled with engaging learning experiences and activities that have allowed our students to thrive academically and socially. From our numerous sporting opportunities to the various classroom projects, it has been inspiring to see our students demonstrate their creativity, teamwork, and resilience. I commend all our staff for their dedication and commitment to providing a supportive learning environment.

As we look forward to the school holidays, it's important to note that we will be celebrating both Easter and ANZAC Day during this time. I encourage families to take this opportunity to reflect on the significance of these occasions. Easter is a time for renewal and hope, while ANZAC Day is a moment to remember and honour those who served our country.

I urge everyone to relax, recharge, and spend quality time together. Whether it's enjoying outdoor activities, visiting local attractions, or simply enjoying some downtime at home, these moments are invaluable for both students and families.

Please remember that school will resume on Wednesday 30th April for students, and we look forward to welcoming our students back for an exciting Term 2. We have many events planned, including our upcoming parent-teacher interviews (next Tuesday afternoon), which will provide an opportunity to discuss your child's progress and set goals for the next term.

As always, thank you for your ongoing support and partnership. Wishing you all a safe and enjoyable holiday break!

"Education is the most powerful weapon which you can use to change the world." – Nelson Mandela

Warm regards,  
Miss Elith  
Relieving Principal

# Harmony Day

OCS students had an interesting and enjoyable day learning all about inclusivity and diversity. From learning Italian to completing a special scavenger hunt, our students worked together to ensure everyone was included and had fun! We ended the day with some cricket for sport with our students K-10.

# Our Community CWA Oaklands "March News"

## 2025 CWA OAKLANDS NEWS MARCH

- Members are excited to be bringing to Oaklands in partnership with NSW Government (FREE) a STEPPING ON program aimed at preventing falls. See the attached flyer for details please register your interest by phoning 02 5924 5292 at Kinetic Medicine Corowa.
- Oaklands branch won 3rd Prize overall at the recent Murray Group Handicraft Day. Missing 2nd place by ½ a point. Lorraine Marcus scored very highly. Heather Kerr has a silk pillowcase going to State for judging at Wagga Wagga in May.
- Bush Babies Campaign is being supported by CWA of NSW to appeal for Bundled Funding for Maternity Care + other health items. Please sign ePetition to Legislative Assembly which is open until 24th April. Maternity services are being cut severely.
- The cervical cancer National Screening Program reduces illness and death from same. Women and people with a cervix aged 25 to 74 years of age are invited to have a Cervical Screening Test every 5 years through their healthcare provider.
- Australian research into Ovarian Cancer has discovered and patented a blood-based biomarker test for early-stage detection. The ultrasensitive test has been validated in 500 women with 90% accuracy. This is called CA-125 blood test.
- An ultrasound will NOT pick the cancer. A CAT scan will catch it in very late stages. If you have serious concerns please ask for the blood test which has been available since early 2024. CWA of NSW sponsored this Australian research for 3 consecutive years.

- CWA members will be fundraising at the Federal Election Saturday, 3rd May at Oaklands Central School polling station
- Next Meeting: Tues 15th April
