# Principal Report

Dear School Community,

As we move through the term, I would like to take a moment to reflect on our recent activities and upcoming events.

## **School Development Days**

Our recent school development days have been a valuable opportunity for staff to engage in professional learning about High Potential and Gifted Education (HPGE) and collaborate on best practices. We are committed to continuous improvement and ensuring that our teaching methods align with the latest educational research.

## **Primary Western Riverina Netball Trials**

Congratulations to Anabelle and Sophie who participated in the Primary Western Riverina Netball Trials as part of the Finley Zone Netball team. It was fantastic to see such enthusiasm and sportsmanship displayed by our young athletes. Extra congratulations to Sophie who has been selected to represent the Western Riverina team.

## **Paul Kelly Cup - Primary AFL**

Hudson had the opportunity to participate in the Paul Kelly Cup for Primary AFL. This event not only promotes physical activity but also fosters teamwork and resilience among our students. A great opportunity to be involved with students from other neighbouring towns.

## **Principals Conference**

I recently attended the Principals Conference, where we shared insights and strategies to enhance our school environments. It was an enriching experience that will undoubtedly benefit our school community. It is important as staff that we are also continually learning and staying up to date with the latest research and opportunities that are available for our students.

## **School Updates**

Please be aware that Mr Webb has extended his leave through to Week 5. Miss Elith will continue in the role as Relieving Principal.

## **Shining Moments**

Around the school this fortnight I have been fortunate to witness the following shining moments for our students:

- Kindergarten students engaged and feeling excited while making Mother's Day cards.
- Students supporting others and participating in the school Cross Country.
- Stage 5 Science students testing their inquiry skills through independent research projects.

## **P&C Meeting**

Lastly, I encourage all parents and caregivers to attend our upcoming P&C meeting on Monday 12th May at 3:15pm. Your involvement is crucial in shaping the future of our school and ensuring that we provide the best possible education for our children.

Thank you for your ongoing support and dedication to our school community.

Warm regards,

Melinda Elith  
Relieving Principal

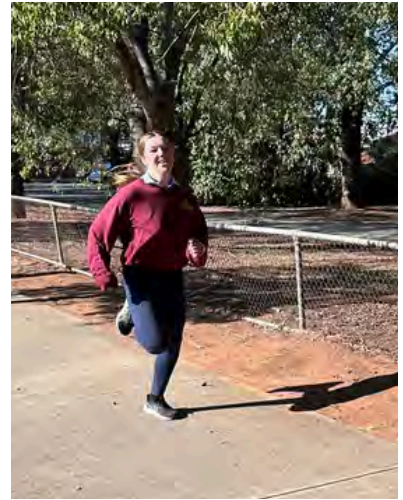

# RAP Lawn Bowls

On Tuesday in Week 2, RAP was represented by Hunter Bell (Oaklands CS), Tom James (Lockhart CS) and Jim Donoghue (Ariah Park CS) in Lawn Bowls. The RAP Team played against the more experienced Temora High School side at the Ariah Park Bowling Club. Temora won the 15-end competition by 22 points to 9. Fantastic sportsmanship and encouragement were on display by both teams. Tom lead the team well as skipper, and it was great to see Jim represent RAP as a Year 7 student. Thanks to Hunter for joining the team at the last minute to ensure the game could go ahead on the day. A big thank you to the Ariah Park Bowling Club for hosting the match.

## Our Community CWA Oaklands "April News"

- Congratulations and thanks to Emily Lightfoot for accepting the role of Branch Treasurer. Many thanks to Cathie Sutcliffe for her many years and dedication to the branch as Treasurer. A job well done.
- The CWA of NSW **State Conference will be held in Wagga Wagga on 19th-22nd May. This year's Conference will see a packed agenda with a broad range of 45 motions brought forward, covering both policy and constitutional matters. Also a range of issues by guest speakers, and the election of new State Office Bearers. This is a free conference – observers are welcome.**
- Most recently, CWA of NSW donated \$20,000 to Medecins Sans Frontieres/Doctors Without Borders with a request that it be used in activities pertaining to the Israel/Gaza war.
- The 'Stepping On' program began with a great start. Liz and John lead us through the program guide and sought lots of feedback from participants **as to what concerns we have about possible falls.**
- Dr Helena Popovic warns of the dangers of soft drinks to our brains. Why? Soft drinks deliver a large, rapid dose of sugar into our circulation, which triggers an acute spike in blood insulin levels and a drop in brain cell energy – this is a hallmark of Alzheimer's. One small soft drink per day leads to insulin resistance, type 2 diabetes, high blood pressure and **abdominal obesity, each of which doubles the risk of Alzheimer's.**
- The date for the next meeting possibly will be delayed to the 27th May at the usual time of 1.30pm. To be Confirmed.
