# Principal Report

Dear School Community,

Forward we bound into Week 8 and I am excited to share highlights from recent events and achievements that showcase the talent and dedication of our students and staff.

## **OCS Athletics Carnival**

Our recent OCS Athletics Carnival was a fantastic display of sportsmanship and talent. Students from all grades participated with enthusiasm, competing in a variety of track and field events. It was fantastic to see our students supporting one another, fostering a sense of school spirit. Congratulations to all participants and especially to our champions who will represent us in the upcoming zone competitions! Congratulations to Innes, the winning house on the day!

## **Drama Camp Experience**

We are proud to announce that Zara had the wonderful opportunity to attend the Riverina Drama Camp last week in Wagga Wagga. This experience not only honed her performance skills but also allowed her to collaborate with peers from other schools, fostering creativity and building lasting friendships. We look forward to seeing her newfound skills on our school stage soon!

## **Secondary Principals Conference**

I recently attended the Secondary Principals Conference, where I engaged with educators from across the state. The conference focused on innovative teaching strategies and the importance of fostering resilience in our students. I returned with new insights and ideas that will benefit our school community and enhance our educational programs. It was a great chance to reflect on areas our school is exceeding in and areas for improvement. Like students, it is important for us as educators to be continually learning.

## **JeriBerriO's AFL Competition**

Spencer, Hudson, Tom, Blake and Marcus participated in the JeriBerriO's AFL competition last Friday, showcasing their teamwork and determination on the field. It was a great experience, and I commend our footballers for their hard work and giving the opportunity a go. Such events not only promote physical fitness but also teach valuable life skills, including resilience and cooperation.

## **Riverina Cross Country**

Lastly, our primary (Annabelle, Aurora and Oliver) and secondary students (Brandon, Rhylan and Jack) represented us with pride at the Riverina Cross Country in Gundagai. It was inspiring to see our students pushing their limits and giving it a red hot go. Congratulations to all participants for their efforts and a further congratulations to Annabelle who will represent us in Sydney early next term.

As we continue to support our students in their academic and extracurricular pursuits, I am reminded of the words of Albert Einstein: "Education is not the learning of facts, but the training of the mind to think." Let us continue to foster an environment where our students are encouraged to think critically and creatively.

Thank you for your continued support and involvement in our school community.

Warm regards,  
Melinda Elith  
Relieving Principal

# Teacher contribution: Mrs Southam

Lines can be carved from printing blocks to create pictures of cherished activities, objects and experimental patterns.

To build understanding of fibres through Science and Art concepts, these long lines of raffia will be sewn into baskets.

We naturally use lines to organise data into tables, then convert our data into fractions and percentages.

# Teacher contribution: Mrs Southam

We form lines when cooking in Science to help each other be organised, make gluten free yogurt bread, bread with gluten, butter, dairy and non-dairy spreads. We then follow a table to record our taste test results.

**Mrs Southam takes Primary students for Spelling, Writing, Extension Writing, Visual Art, Health and Science.**

# Our Community CWA Oaklands

## **EXPRESSIONS OF INTEREST FOR PRE-SCHOOL AT OAKLANDS**

Oaklands CWA members are concerned at the declining number of children at our local school, and the small number of children of pre-school age, compared to the strong numbers attending pre-school previously.

In an attempt to understand the true current statistics, we are asking all parents to help us measure the children in our community who are already at pre-school age, or approaching age three in the near future.

Currently, for future planning, Federation Council is also asking parents to complete the Council's Expression of Interest Form - Mobile Pre-school, on the council website.

<https://www.federationcouncil.nsw.gov.au/Community/Families-Children/Mobile-Preschool-Service>

CWA wish to continue working with the Mobile Pre-school team, and at the same time ensure no children are missing out on the service. By gathering basic details, such as child's name & date of birth. Parent's name & contact phone/mobile. Locality, and whether you would like your child to attend at Oaklands if this were an option.

Responses will be treated as confidential information. Accurate information is what we need to give a true picture of the numbers of children, and their future needs.

We ask that you respond to the CWA secretary, Heather Kerr mobile 0447 335 201 or email: [heatherjkerr@bigpond.com](mailto:heatherjkerr@bigpond.com) Information needs to be available before Friday 4<sup>th</sup> July, 2025.

Thank you for responding to our enquiries. Please share and discuss this request with other families you are aware of, which are in need of pre-school services.

# Our Community *Thriving Women 2025*

The poster features two women, Lucy Bloom and Stephanie Trethewey, smiling. Lucy Bloom is on the left with short, bright pink hair. Stephanie Trethewey is on the right wearing a wide-brimmed hat. In the center, the text 'Thriving Women 2025' is displayed with a stylized tree graphic above it. Below this, the words 'WOMEN', 'SHAPING', and 'AGRICULTURE' are arranged in overlapping colored boxes. At the bottom, there is a paragraph about the event, two QR codes, the website URL, and the dates and location.
